

ALL IIT INTERNATIONAL RELATION (IR) CONCLAVE at IIT(ISM) Dhanbad

In a significant stride towards advancing the internationalization strategies of the Indian Institutes of Technology (IITs), one of these premier institutions organizes the annual 'All IITs International Relations (IR) Conclave.' This event serves as a platform for the IITs to collaboratively discuss, strategize, and propel the internationalization of higher education in India. By bringing together the International Relations Offices from IITs across the country, the conclave fosters a collaborative environment to address the complex challenges and opportunities involved in global academic partnerships.

The All IITs IR Conclave is more than just a meeting—it's a gathering of ideas and ambitions. This forum unites stakeholders, thought leaders, academic experts, and representatives from funding agencies, all of whom are invested in advancing India's educational impact on a global scale. Through intensive dialogues, brainstorming sessions, and knowledge-sharing activities, participants work together to devise strategies that can elevate the international reputation and academic influence of IITs worldwide.

In recent years, the IR Conclave has been hosted by various IITs: IIT Roorkee held the event in 2023, while IIT Gandhinagar was the venue in 2022. **In 2024, the conclave is proposed to be hosted by IIT (ISM) Dhanbad, marking a significant milestone as the institute looks forward to its Centenary Celebrations in 2026.** This special occasion will highlight IIT (ISM) Dhanbad's ongoing legacy of academic excellence and global engagement, reinforcing its commitment to expanding IITs' reach and reputation internationally.

ALL IIT INTERNATIONAL RELATION CONCLAVE at IIT(ISM) Dhanbad

TENTATIVE EVENT SCHEDULE

The inaugural session of the IR Conclave 2024 is set to establish an inspiring tone for the event, showcasing a distinguished panel of dignitaries. This year's conclave will feature a carefully curated series of insightful plenary sessions, each delving deeply into critical aspects of internationalization within higher education. Esteemed representatives from organizations such as the Department of Science and Technology's International Cooperation Division (DST), the Indo-French and Indo-German Centres, as well as major sponsoring agencies like EdCIL (India) Limited and the Indian Council for Cultural Relations (ICCR), will add their expertise and perspectives to this august gathering.

Beyond the impactful plenary sessions, the conclave will offer a vibrant cultural evening, celebrating the rich heritage and spirit of collaboration among the IITs and their global partners. The event will culminate in an exquisite open-air dinner, providing a remarkable networking opportunity for participants to forge connections and exchange ideas in a more informal, engaging setting.
